

IMPORTANT NOTICE

To all Nyeri Club Members:

COVID-19 - LET'S FIGHT THIS BATTLE TOGETHER

As you are all aware, **coronavirus** epidemic has caused an unprecedented serious health threat all over the world. It is our responsibility therefore to exercise caution in order to prevent the spread of the same to protect ourselves and our loved ones.

Consequently, the Club Management wishes to notify Honorable Members of measures that we are all expected to abide by:

1. **Control of entry points** ;

- There shall be only one entry point to the Club, **which shall be the reception area**. The gates leading to the changing rooms as well as the caddies area shall not be used as to access the club.

2. **Restriction of visitors and reciprocating members:**

- No visitors or reciprocating members shall be allowed into the club for the next 30 days.

3. **Suspension of Tournaments** ;

- All tournaments, with exception of Club Night and Wednesday Casino remains suspended for the next 30 days.

4. **Hygiene** :

- Members are advised to sanitize themselves and to wash hands frequently while within the club.
- Water points will be set up in the following areas;

At the main gate

At the caddies place

At the area under construction

Sanitizers will be provided at the entrance. The Management will also ensure that common areas are regularly disinfected and expected standards of cleanliness maintained.

5. **Self-quarantine :**

- In-keeping with the guidelines issued by the National Government should any Member develop coronavirus-like symptoms he\ she is advised to self-quarantine and seek advise from a health facility initially by phone.

We urge all members to cooperate so that we can collectively keep each other from harm's way.

There shall be a doctor coming on Friday 20/03/2020 during clubnite presentation in order to sensitize the members on the subject.
